

DOD 1052-61

MEMORANDUM FOR: AF CIC-5
Headquarters USAF
ATTENTION: 21 FEB 1961
Colonel Leo P. Geary
SUBJECT: Request for Air Command and
Staff School Deferral

25X1A
1. [REDACTED] the Senior Weather Officer assigned
to us here by the Air Weather Service, has been selected to attend
the Air Command and Staff School in the class beginning September
1961.

25X1A
2. Although [REDACTED] has indicated a definite desire to attend
the Air Command and Staff School, he would like to be deferred for
one year. He has informally contacted Headquarters Air Weather
Service (Lt. Colonel Gaertner), who has indicated agreement with
his request for deferral. However, since the Air Command and
Staff School is quite sought after, it has been our understanding that
the policy of most major command Headquarters (MATS in this case)
is based upon deferrals.

3. With the increasing activity of integration of weather proce-
dures, equipment installation, and other weather planning factors
for the new program, [REDACTED] knowledge, competence, and
wide experience would be of a great assist for insuring orderly and
effective weather service. Anything you can do to assist in obtaining
[REDACTED] deferral for one year would be greatly appreciated.
